

## CLC Registration – Frequently Asked Questions

### **Q: What is the timeline for the registration process?**

**Beginning of January** – Registration opens for current CLC families (including current students and siblings)

**End of January** – Registration opens for families wanting to return to CLC (i.e., older children aged out of the program, younger children are now old enough to attend) and Second Baptist Church members

**Beginning of February** – Registration opens for everyone on the Interest List

### **Q: Do you offer tours for prospective families?**

We typically have about 200 families on our Interest List each year, so unfortunately we are not able to offer tours for all prospective families. However, if you are able to secure a spot for your child once registration opens, we will be glad to schedule a tour before you need to officially commit or pay the registration fee.

### **Q: Where can I find more information about your program?**

Our website [www.secondbaptistrva.org/clc](http://www.secondbaptistrva.org/clc) has information about our Preschool, Kindergarten, and After School programs.

### **Q: How much is tuition?**

The tuition rates for the upcoming school year have not yet been finalized. The tuition rates for the current school year are embedded in the current year's registration forms, which you can access on our website. That will give you a ballpark idea of what our rates will be.

### **Q: Do you offer sibling discounts or scholarships?**

We do not offer sibling discounts. We have recently established a CLC Scholarship Fund which will be used to help families with financial needs. Our program does not currently participate in the state's childcare subsidy program.

### **Q: What is the difference between the “Waiting List” and the “Interest List?”**

The Waiting List is for families who want to be considered if a spot becomes available in their child's age group during the current school year. We maintain waiting lists for every age group and enrollment option. Waiting Lists do not “roll over” from one year to the next. The Interest List is for families who are interested in their children coming to CLC the FOLLOWING school year. Links to both the Waiting List and the Interest List are on our website, under the enrollment tab.

### **Q: How does registration work for new families? Is it first come, first served?**

All of the families on our Interest List will receive email updates as the registration process unfolds. Once our current CLC families have registered, we will send an email to let those on the Interest List know how many spots we anticipate being available for new families. We will also communicate when we will be sending the online registration link to new families. On “Registration Day,” we will send the link to all families on the Interest List. The online platform we use time/date stamps the registration so the spots are first come, first served.
